Dear Commissioner,

As a resident of Corte Bella, a community in the Aqua Fria waste water district, we want the record to show our unconditional support for full consolidation of the EPCOR waste water districts. It is a fair and equitable solution to a major discriminatory and economic problem which has been plaguing communities, including Corte Bella, for many years.

Full consolidation treats all consumers on an equal basis, is economically viable to ALL parties and is acceptable to the utility company EPCOR. We regret that some consumers may see a minor increase of about \$ 4.00 to \$ 5.00 / month, but all consumers will be treated the same and uniformity and fairness is paramount. Currently we are charged \$ 60.00 to \$ 70.00/month more than we should because of the deconsolidation that happened several years ago. We are also all retired people on fixed incomes.

Please support full consolidation as requested by EPCOR.

Thank you in advance.
